Administrator's Message

Dear Johnson Street Families,

Thank you for the warm welcome to Johnson Street School! I'm very excited to be working alongside a dedicated staff and vibrant school community.

One of our priorities this year at Johnson Street is Well-Being. More specifically, encouraging active bodies and active minds! We are super excited about our new Fitness Trail. I would like to take this opportunity to thank the School Council for their generous time and fundraising efforts in support of this trail. Our students will have many opportunities to get out and active. All students will also be invited to participate in the **Fit, Fast and Focused Club (Triple F)** where they can set goals and track their progress.

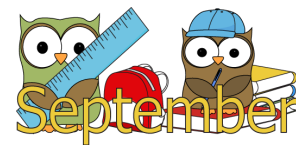

Many of our intermediate students have also been busy completing applications to volunteer for leadership positions at Johnson Street. Student Cabinets (i.e. environmental, communication, community outreach, spirit/culture and healthy/active lifestyles) will be spearheading school initiatives and planning events for all grades. It is so encouraging to see the level of student engagement and responsibility. Stay tuned to hear more from our Student Leaders.

Cross-Country tryouts and preparation for the Terry Fox Run will also be starting up soon. What a great time of year to get outside and enjoy the fine weather and - soon to be - beautiful Fall colours.

Over the next few months I look forward to getting to know the Johnson Street community and working in partnership with families to ensure our students are happy and successful. Please make sure to drop by if you have any questions or concerns or just to say hi!

Partner in Education,

Jennifer Walsh
Principal
